

## **DRAGON PUPPET**

This dragon puppet is easy and fun to make and is perfect for performing a Chinese legend with your own puppet show.

### **Tools and Materials:**

- Coloring tools
- Scissors
- Hole punch
- Brass fastener
- Two large-sized craft sticks
- Glue stick or tape
- Cardboard or tag if needed

### **STEPS:**

1. Print out or copy PDF template (If on bond, you can mount it on something heavier)
2. Color in the design
3. Cut out the two pieces
4. Punch holes where marked and fasten the pieces together
5. Glue or tape the sticks to the back of the puppet so you can move each side
